THE PROPHET MUHAMMAD AS FATHER

Dear brothers and sisters, the Prophet ﷺ is the best example for us in every respect, including as a father. As a father, the Prophet ﷺ gave his children beautiful names, raised them in the best way, and made many supplications for them. The Prophet ﷺ took his grandchildren in his arms, stroked their heads, kissed them, played and joked with them, greeted them, took them seriously, and visited them even when they were sick. We must also follow the example of the Prophet ﷺ and pay more attention to the education of our children, entrusted to us by Allah ﷻ, and raise them with love so that they can serve humanity.
