BALANCE IN WEDDINGS

Dear brothers and sisters, Islam places great importance on marriage and family formation, as the family is the foundation of society and the core of a nation. Marriage is a sacred bond in which a man and a woman promise to be each other's companions for life, based on love, respect, and faithfulness. Dear Muslims, let us keep our weddings simple and modest, free from waste, extravagance, and unnecessary burdens. It is not about the pomp and splendour of a wedding, but about the mutual understanding and love that will strengthen the marriage. Let us help our young people to marry in an easy and blessed way, ensuring that our weddings adhere to the guidelines of Allah ﷻ.
