بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

النَّاسِ لَا يَعْلَمُونَ.

MAWLID AL-NABĪ

Dear brothers and sisters, on Wednesday evening we commemorate the birth of our beloved Prophet Muḥammad Muṣṭafā ﷺ. He was sent as *rahma* for humanity and as an example for everyone who seeks what is good. Dear Muslims, the message of the Prophet ﷺ is clear: to live with *īmān*, justice, and good *akhlāq*. Our salvation lies in holding firmly to the Qur'ān and following his *sunna*. In this time, when values and respect often disappear, we need his example more than ever. May Allah ﷻ make us servants who follow his example, and may He grant our families, our community, and the entire *umma rahma*. *Āmīn*.
