بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ
إِنَّ اللَّهَ يَأْمُرُ بِالْعَدْلِ وَالْإِحْسَانِ وَإِيتَائِ ذِي
الْقُرْبَى وَيَنْهَى عَنِ الْفَحْشَاءِ وَالْمُنْكَرِ وَالْبَغْيِ
يَعِظُكُمْ لَعَلَّكُمْ تَذَكَّرُونَ.
قَالَ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ:
الْإِيمَانُ بِضْعٌ وَسَبْعُونَ شُعْبَةً... وَالْحَيَاءُ شُعْبَةٌ مِنَ
الْإِيمَانِ.

QUALITIES OF THE BELIEVERS: GOOD MANNERS AND MODESTY

Dear brothers and sisters, *adab* means treating people well. *Ḥayā'* means feeling shame for things that go against *akhlāq* and the rules of Allah ﷻ. *Adab* and *ḥayā'* are adornments that add shine to life. They also reflect a strong *īmān*. Dear Muslims, therefore always strive for *adab* and *ḥayā'* to protect your *īmān*. A good *mu'min* watches his words and deeds. He looks for his own faults and knows his limits. Dear believers, *adab* and *ḥayā'* are under pressure, among other things due to social media. But *adab* and *ḥayā'* purify the heart and keep the community upright. So be an example for others and beautify your behavior with *adab* and *ḥayā'*. O Allah! Protect our *īmān* by granting us good *ḥayā'* and *adab*. *Āmīn*.
