FAMILY: AN ENVIRONMENT OF SERENITY, TRUST AND SECURITY

Dear brothers and sisters, the family is a great *ni'ma* from Allah ﷻ. It is the place where we find harmony and receive love. The family is the core of society; if there is *rahma* at home, there is peace in society. Dear Muslims, important values in the family are love, mercy, loyalty and understanding. Spouses must see one another as an *amāna* from Allah ﷻ. They must treat each other with respect and be just. They should not use harsh words. Dear believers, our connections are becoming weaker; therefore we must be together, listen well and fill our homes with love and *du'ā'*. May Allah ﷻ protect our families and grant us happiness in this life and in the Hereafter. *Āmīn*.
